

Please bring the following items to your photo shoot. We may or may not photograph you in all of the clothing you bring.

Adult Women

A long-sleeved solid-colored top (blouse, sweater, sweater set, shirt) with coordinating pants or skirt and shoes.

A polished, go-to-work look or a nice go-out-to-dinner look, with matching shoes.

A third outfit you love to wear that reflects your personality – anything from jeans and a favorite top to a sundress.

A simple, stylish black dress or suit (if you have one).

All accessories to complement your wardrobe choices.

COMPLETELY OPTIONAL: “workout wear” such as shorts and a workout bra

Please also bring “props” that show who you are such as a musical instrument or part of a collection or craft (cooking, woodworking, knitting, flowers/vegetables from a garden, paint brushes, etc) or a “uniform” such as square dancing clothing or sporting equipment (golf club, softball bat, etc). We want your web page to reflect who you are!

Adult Men

A long-sleeved solid-colored sweater or shirt with appropriate pants and shoes.

A polished, go-to-work look (anything from a nice suit/shirt/tie to a “casual Friday” look) complete with shoes.

A third outfit, more casual: jeans or khakis and shirt or tee-shirt.

A solid black tee-shirt or sweater.

All belts, socks, shoes and accessories (watch, jewelry) to complete your outfits.

Please also bring “props” that show who you are such as a musical instrument or part of a collection or craft (cooking, woodworking, knitting, flowers/vegetables from a garden, paint brushes, etc) or a “uniform” such as square dancing clothing or sporting equipment (golf club, softball bat, etc). We want your web page to reflect who you are!

Kids

Three complete changes, including appropriate shoes. If possible, one outfit may be more “dressy.”

Please bring at least one outfit that reflects your child’s personality and interests such as a soccer uniform/ ball, a cowboy hat, karate clothing, etc.

Please also bring “props” such as a few pieces of a collection (stuffed animals, legos, etc.) or a musical instrument. We want your child’s web page to reflect who he/she is! Think about how to describe your child (other than “kid” or “student”) such as explorer, ballerina, goalie, swimmer, gymnast, puzzle master. We’ll talk about it during your photo shoot, too. Please remember to bring your child’s social security number.

Babies (0 to 36 months)

Two complete changes of cute, colorful clothing or pajama and a small toy or stuffed animal if you have one. Please remember to bring your child’s social security number.
